

Dear WYLD Parent,

Thank you for your interest in WYLD Expeditions. We take pride in offering exceptional wilderness adventures for youth and strive to challenge the body, expand the mind and create a powerful experience that will last a lifetime. Our courses are based out of British Columbia's oldest park – Strathcona Provincial Park – offering a diversity of beautiful locations and challenging environments to explore. We welcome you and your son or daughter to our exciting world of outdoor exploration.

Please find attached our WYLD Application Form. To register for a WYLD Expedition please complete the Application Form and submit it to us, either by email, fax or mail. The application can be filled out by you, although we encourage you to include your child in this process.

Once you have submitted your Application form and registration has been confirmed, please download the following documents:

- Student Questionnaire
- Course Equipment List
- Medical Form
- Acknowledgement of Risk and Consent Form
- Travel Details Form.

The questionnaire is for your child to fill out on his or her own. One of the most important things we teach on a WYLD course is self reliance, and this questionnaire is the first way that your son or daughter will take responsibility for their time in WYLD.

The purpose of these forms is to make sure that the course you or your child has selected will be a positive and rewarding experience for all concerned. All forms, student questionnaire, medical, consent and travel details **must be submitted at least two weeks prior** to the start of your son or daughter's WYLD course.

Thank you for you for choosing WYLD, we look forward to seeing you this summer!
